

A Letter From
Lucky the Leprechaun

I know your tricks, haha hehe
You tried really hard but couldn't catch me

Your leprechaun trap was super cool
But I am way too smart to fool

I know you'd love to get my gold
But you'll have to keep trying 'til you get old

Because leprechauns are sneaky and fast
And I can't let you find where my gold is stashed

So I hope your day is lots of fun
But I hear you coming
so I've got to run!

Happy St. Patrick's Day!

From, *Lucky The Leprechaun*
